The inside sales girl that handles our account is out today. Carson (outside sales) says he doesn't know if these charges are included or not so he said to be safe we should assume they are not. This would add another \$975 to each invoice or a total of \$6825. He said he'd try and get me a definitive answer tomorrow.

Do you think that includes cleaning and deodorizing?

Gary,
My estimate to Amandeep for 12 Veolia vac boxes was \$251,516 . That averages out to \$20,959.67 per box. Veolia gave me what they believe will be their invoice amount for the 7 boxes already received. The total for all seven boxes is \$120,022.66 or an average of \$17,146.09 per box. If I have totally confused you call me.
